

For those of you who like lists (...me 🙋) here's a list of all the stuff!

Before class meets:

- ☐ Put all class dates on your calendar, and reserve that time & place for yourself
- ☐ Put MeredithColby@icloud.com in your address book so you get all the information
- ☐ Update and optimize your Zoom settings
- ☐ Schedule your 20-minute kibbitz with me 😊 Use **THIS LINK** to schedule that.
- ☐ "Friend" me on Facebook so I can invite you to the group page
- ☐ If you did not include it in the intake questions, please send me your mailing address and the name you'd like inscribed in your copy of *Money Notes*

- ☐ Take the *Introduction to Neuro-Vocal Method* on the Teachable site. The address is MoneyNotes.Teachable.com and the code is **FREE**
- ☐ While you're in Teachable, register for the NVM Certification Support Materials "class." The code to get it for free (*please-please-please* use the code!) is **NVMC**
- ☐ Download your free *Money Notes* ebook while you wait to get the paperback. Go to [**THIS PAGE**](#) and enter the code **NVMCLASS** to get the free download

Once the class starts:

- ☐ Make time to read sections of the book *Money Notes*. It's an easy read, and can be read a bit at a time.
- ☐ Not required, but you'll get more out of the modules if you're watching the video for the second time in class. Take 20 mins (or less) to watch the video on Teachable prior to class.
- ☐ Schedule your private sessions with me. You can feel free to schedule all three if you'd like to (my calendar goes 6 months out). Use [**THIS LINK**](#) to schedule.
- ☐ Check the Facebook group regularly.

Other stuff:

You'll need to get feedback on your teaching of NVM principles prior to taking the quiz.

You can decide whether you'd like to:

- ☐ Schedule time for me to observe you teaching one of your students using NVM principles and techniques. Use [**THIS LINK**](#) to schedule that.

Or:

- ☐ Submit a 30-minute video of you teaching one of your students using NVM principles and techniques
- ☐ If you have questions between classes, *please* feel free to reach out to me via email. If email is a problem for you, let me know and we can set up a Marco Polo video chat.
- ☐ Quiz will be online, and a link will be sent to you
- ☐ You'll get a post-class survey. If you're gracious enough to take the survey, you can help me make this class better!
- ☐ If you would like to schedule additional private sessions (more than the 3 that come with the class) please use [**THIS LINK**](#) to get the NVM Teacher discounted rate.
- ☐ Please take a look at [**THIS PAGE**](#). If you take and pass the final quiz, you will be included on this page (unless you tell us not to include you).
- ☐ Send the information and image you would like us to include on the NVM Teacher page.
